ACQUIN

20 YEARS OF QUALITY ASSURANCE

Since its establishment in 2000, ACQUIN is actively engaged in the European Higher Education Area (EHEA) and Bologna Process, supporting universities, governments and stakeholders in developing quality assurance strategies and mechanisms.

ACQUIN is a member of European Association for Quality Assurance (ENQA), European Quality Assurance Register (EQAR) as well as of many other professional associations and networks.

ACTIVITIES

ACQUIN sets as a goal to achieve jointly defined goals and common values – such as freedom of expression, autonomy for institutions, independent student unions, academic freedom, free movement of students and staff. ACQUIN actively participates in different projects in a variety of topics:

- International & European **ACCREDITATION AND CERTIFICATION** procedures in Higher Education and Vocational Educational Training (VET)
- **SYSTEM ACCREDITATION**—accreditation of internal quality control system of educational body
- **QUALITY ASSURANCE** & Monitoring of projects' management and deliverables
- **EXTERNAL EVALUATION** of projects
- **TRAINING** of international experts & reviewers
- **E-LEARNING EVALUATION** for academic recognition
- **JOINT QUALIFICATIONS** in Higher Education
- Enhancement of **INTERNATIONAL & EUROPEAN MOBILITY**

CURRENT ERASMUS+ PROJECTS

DATAPRO (2018-2020) aims to incorporate the new digital mentality under GDPR 2016/679 to companies, employees and young learners, while responding to the fragmented certification system in the field.
<https://datapro-project.eu>

GDPR4H (2018-2020) is a pioneer in the field and will set the basis for a European approach in the sensitive field of health and patient data monitoring.
<https://gdpr4h-project.eu/>

ELDICARE (2018-2020) offers a pathway out of the atypical elderly care givers, through education and training in ICT & health applications, modernizing the way elderly care is provided by designing two new Curricula.
